

ROAD CLOSURE ALERT

Old Alton Road between FM 2181/Teasley and Copper Canyon Road will be closed due to construction beginning Wednesday June 9th, 2010.

Our plan is to expedite construction by temporarily closing the road completely and allowing the contractor to work 6 days per week. The road is scheduled to be open by the first day of school.

Please check our website www.dentoncounty.com/court/Precinct4/ for regular updates and detour alerts.

We appreciate your patience during this time. If you have any comments or concerns please feel free to contact our Project Coordinator – Robin Davis at 940.349.2963.
